WARRANT FOR TOWN MEETING

To Lillian H. Robinson, Constable of Raymond, in the
County of Cumberland, and State of Maine:

Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Raymond, qualified by law to vote in town affairs, to meet at the Town House in said town on Tuesday, the first day of March, 1949 at 10 o'clock in the forenoon, to act on the following Articles, to wit:

Article 1. To choose a Moderator to preside at said meeting.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To see if the Town will vote to accept the report of the Town Officers for the year 1948.

Article 4. To elect one Selectman, Assessor, Overseer of Poor to serve for three years.

Article 5. To elect a Treasurer for the ensuing year.

Article 6. To elect one member of the Superintending School Committee to serve for three years.

Article 7. To elect a Fire Ward, who shall be a Fire Inspector for the ensuing year.

Article 8. To see if the Town will vote to elect two Fire Wards to serve under the direction of the Fire Inspector, and elect.

Article 9. To see if the Town will vote to elect one or more Road Commissioners, for the ensuing year, and elect.

Article 10. To see if the Town will vote to elect a Budget Committee of six to act with the Selectmen for the ensuing year, or act anything relative thereto.

Article 11. To elect an Auditor for the ensuing year.

Article 12. To elect such other Town Officers as the law requires.

Article 13. To see what method the Town will vote to adopt for the collection of Taxes for the ensuing year.

Article 14. To see what discount the Town will vote to allow on taxes paid on or before July 1, 1949.

Article 15. To see if the Town will vote to purchase the necessary bonds which the Collector and Treasurer are, by law, obliged to have.

Article 16. To see if the Town will vote to instruct the Selectmen to deduct twenty-five percent of the wages of the Town employees to be applied on the payment of back taxes assessed against said employees, or act anything relative thereto.

Article 17. To see if the Town will vote to authorize the Selectmen to procure a temporary loan or loans in anticipation of taxes, for the purpose of paying obligations of the Town, such loan or loans to be paid during said current municipal year by taxes.

Article 18. Will the Town adopt a resolution affording the people of Raymond an opportunity to express to their representative in Congress, in the Executive Department of the United States and in the United Nations their deep feeling regarding war and peace and requesting such representatives to take such steps as may be necessary to make the United Nations into a World Government, capable of enacting, interpreting and enforcing world law to prevent war.

Article 19. To see if the Town will vote to raise and appropriate the sum of \$200.00 to cooperate with the Maine Forest Service and the Federal Government in control of the White Pine Blister Rust in accordance with Revised Statutes, Chapter 32, Section 54.

REPORT OF FIRE CHIEF

The department answered thirteen calls during the past year. Five calls were answered by the Village Company, five by the East Raymond company, and three by both companies.

A new Ford chassis, on which has been mounted a 600 gallon water tank and a 500 G.P.M. front end Darley pump, has been purchased and turned over to the newly organized East Raymond company. This piece of equipment should be of great value to the town, particularly in locations where there is no water supply.

I think that the citizens should be grateful to the men of the East Raymond company for the time and effort which they have put into remodeling the Town Hall and building up the fire truck.

I would recommend that this company be supplied with the necessary equipment to meet the Fire Underwriters tests so that the property owners within two miles of the fire house may get the benefit of a reduction in insurance rates.

We have added to the protection of the town by having six water holes dug at suitable locations. It is our plan that these may be added to from time to time.

I wish to thank the ladies who have been so faithful in furnishing us with lunches and suppers during the year.

Respectfully submitted,

REGINALD S. BROWN,

Chief

Report of Superintendent of Schools

TO CITIZENS OF THE TOWN OF RAYMOND:

I have the honor to submit my annual report.

TEACHERS

Only one new teacher was needed this year to replace Mrs. Folsom who resigned to accept a teaching position at Poland. We engaged Naomi Small of Gray for this room. (East Raymond Grammar). Due to the resignation of Mrs. Mona Irish who taught music one day per week, we engaged Mrs. Frances Small for this position. Mrs. Small is very much interested and is doing excellent work.

CONVEYANCE

Because the parents at North Raymond objected, the Committee separated North Raymond conveyance from going to the East Raymond school and made arrangements for these pupils to attend the Gray Schools. We have ten pupils from North Raymond attending the Gray Schools. The cost of conveyance is \$50.00 per week and cost of tuition \$2.00 per week. This amount is less than the cost of operating a school at North Raymond and it is probable that we would be unable to obtain a teacher for such a school.

Conveyance at East Raymond is furnished by Morton Stoddard and for the Village schools by Cora Shaw.

REPAIRS AND EQUIPMENT

We were able to install new fluorescent lighting at Raymond Grammar School. Twenty new seating units were furnished to the East Raymond School. Other repairs were minor in nature. See the itemized report for costs.

RECOMMENDATIONS

We should buy 20 more seating units at East Raymond. Cost about \$450.00. We need to do something about the water supply and pump at the Raymond Village schools. We have had quite a lot of trouble here, this past year. Probably one side of the Grammar school should be shingled.

This Raymond Grammar school is only a temporary school building, not adapted for school purposes and should be replaced, perhaps by building an addition to the present Jordan school.

ANNUAL REPORT OF PUBLIC HEALTH NURSE

RAYMOND — 1948

The achievement of high levels of living and good health should be the concern of each individual citizen. In order to obtain this level of good health, a Health Council is needed. Such a council would mitigate the thinking and planning of all organizations and citizens concerned with health. It would do much toward preventing overlapping and duplication of effort. A Health Council could study the needs of Raymond and develop a community health program related to these needs.

The nurse assisted Dr. Bischoffberger with physical examination of forty-three school children. Twenty-five parents were interested and were present during the examination of their child.

Sixty-two children had their hearing tested with the audiometer. Twelve were found to have apparently some impairment of their hearing and were referred to their family physician for further testing. Hearing impairment is a handicap and is the most important avenue of learning.

Twenty-six children had their vision rechecked. Five were found to need further testing by a specialist. One child has had the needed attention of a specialist and has had the defect corrected.

Visits were made to children with crippling conditions to help them obtain the additional services they require. Such services may be obtained from the State Crippled Children's Services if desired, or from private specialist.

Visits were made to adults, expectant mothers, infants, and pre-school children. Visits are also made to families to help them appreciate the value of health and to develop an awareness of community resources in nearby cities.

Families in Raymond have goals in health which a Health Council could help them achieve. Many infants are not supervised by private physicians. Child Health Conferences would solve such a problem and give these children the opportunity to have complete physical examination, protection against diphtheria, whooping cough, smallpox, and tetanus. Mothers have shown great interest in such a program.

In the coming year, Raymond will be visited regularly by the public health nurse. The nurse alone cannot solve the problems of the community. Only community action will serve to make the nursing service the life saving forces it must be to meet the needs of the changing world. I hope in the year to come, we may look forward to the organization of a Health Council. If citizens are interested, they can learn what the health needs are through organized action.

CLARICE B. PURCELL,

Field Nurse

AUDITOR'S REPORT

State of Maine

STATE DEPARTMENT OF AUDIT

Augusta

April 2, 1948

Board of Selectmen
Raymond, Maine

Gentlemen:

In accordance with Chapter 16, Section 3 of the Revised Statutes of 1944 and at your request, the records of the Town of Raymond have been audited by Auditors M. W. Bragdon and F. E. Bramhall for the period February 2, 1947 to February 4, 1948 inclusive.

The examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination, the financial transactions of the Town appear to have been appropriately handled, with such exception as may be noted in the accompanying Comments.

Exhibits and Schedules incorporated in this report present the result of the financial operations of the Town for the period designated.

All of which is respectfully submitted,

Very truly yours,

FRED M. BERRY,

State Auditor

FMB/am

COMMENTS

Re: Audit of Accounts — Town of Raymond
February 2, 1947 to February 4, 1948

An examination has been made of the financial transactions of the Town of Raymond for the municipal year ended Feb. 4, 1948.

This examination consisted of a thorough check of all cash received and disbursed, and such test checks of other operations as seemed advisable.

All asset and liability accounts were reviewed and verifications made to the extent deemed necessary.

CASH

The general fund cash at Feb. 4, 1948 amounted to \$671.33 and was available for current operations. This amount was verified by bringing the Treasurer's cash up to the date of audit.

TAXES RECEIVABLE

The valuation records and the related commitment of taxes for the 1947 municipal year were examined and appeared to be in order. Uncollected taxes, as listed by the Collector, were reviewed and found in agreement with the unpaid balance of the commitment.

The unpaid prior years' tax accounts were examined and the record of payments was checked.

TAX LIENS

The payments received on tax liens were verified with the records. The liens remaining unpaid were on file with the Treasurer and were reviewed in detail.

TAX ACQUIRED PROPERTY

Two pieces of property were sold during the year at a small loss to the Town. The remaining properties are of questionable value and, with one exception, represent expired liens for 1942 and prior.

ACCOUNTS PAYABLE

As far as could be ascertained, all current bills of the Town had been paid during the year. The amount of \$35.69 represents deductions for Teachers' Retirement due the State of Maine.

TRUST FUNDS

The trust funds held by the Town were examined in detail as to investment and income received. No disbursements were made from the funds during the year.

GENERAL

A net overdraft in the amount of \$639.57 has been charged to the Net Deficit account. The Attorney General has rendered an opinion on this point and it is included for the benefit of the municipal officers.

"The municipal officers are bound by the terms of the articles in the warrant calling the meeting providing for the expenditure of money. The officers should not spend more than the taxpayers appropriated at town meeting, unless the statute expressly authorizes an expenditure in excess of the appropriation."

The provisions of Chapter 84, Section 81 of the Revised Statutes of 1944, however, relate to expenditures of monies for highway purposes and permit overdrafts in cases of emergencies to the extent of 15% of the appropriation.

Corporate surety bonds covering the Tax Collector and Treasurer were found on file and appeared to be proper.

The excise tax receipts were checked and found in agreement with remittances to the Treasurer.

AUDITOR'S REPORT

EXPLANATION

February 9, 1949

In the Inhabitants of the Town of Raymond —

In accordance with your request to have the books of the Town audited this year by the State Department of Audit, we have been unable to obtain an auditor before the Report went to press.

The accounts for the year 1947 were audited February 25, 1948 and were found correct. We have a copy of that report on file.

In preparing this report, I have tried to give you a complete summary of the financial transactions for the year closing February 1, 1949.

Respectfully submitted,

E. R. CLOUGH,

Chairman of the Board of Selectmen.
